**PARKING:** Spectator parking is available on all parking lots around the Aquatic Center and high school. The gravel parking directly behind the Aquatic Center will be blocked off for food truck parking only. Coaches and League Reps will have designated parking in front of the building. There is absolutely no parking allowed on Ryan Rd. or Adams Dairy Pkwy. If you park on either of these roads your car will be towed.

**GENERAL POOL:** Please abide by the following rules regarding the BSS Aquatic Center and surrounding areas:

- The playground will be closed during the meet. Please do not allow your children on the equipment.

- There is absolutely no playing on or touching the weight equipment located in the Aquatic Center. This equipment will be roped off and is off limits for the safety of participants.
- The Warm Up pool will not be open for the duration of the Championship meet and no lifeguard will be on duty there so please keep your swimmers out of this pool during the meet.

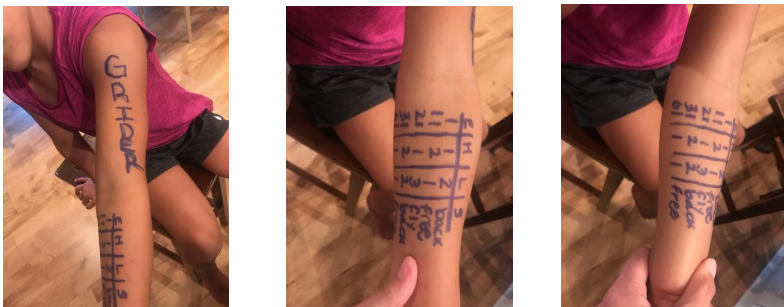

**POOL DECK:** There will be NO crashing allowed on the pool deck. Coaches will have seating along the pool edge. Swimmers will be instructed not to crash around the coaches. Spectators will be allowed to watch their swimmers event and then they must leave the pool deck. Swimmers should plan to crash with their friends in the designated team/spectator crash areas outside.

**VENDORS:**

- The SSL is excited to be working with Fine Designs on the apparel for the 2021 SSL Championships. Fine Designs has you covered: Sweatshirts, t-shirts, performance apparel and more! Stop by during the 2021 SSL Championships, they will be printing custom meet apparel including champions and finalist add-ons!
- Action photography will be available to take shots of your swimmer in their events. Please see the flyer at the end of this document for information on booking and pricing.

**HEAT SHEETS:** The heat sheet will be emailed to each team’s league reps for email distribution to their teams. Please print a heat sheet before you come to the meet as heat sheets will not be available for sale.

**VOLUNTEER CHECK-IN AND INFORMATION:** The volunteer check in table for all teams will be located inside the front entrance of the Aquatic Center. Please check in no later than 20 minutes before your scheduled shift start time. The role of the volunteers is critical to ensuring a great meet for all swimmers. We appreciate you giving your role your undivided attention during the meet.

**STROKE & TURN JUDGE AND TIMER MEETINGS:** There will be informational meetings for both Stroke & Turn Judges and Timers approximately 15 minutes prior to the start of each volunteer session. Please listen for an announcement for your meeting location and time.

**STROKE & TURN JUDGE INFORMATION:** Each S&T judge will be located at the four corners of the pool with a clipboard. Please allow the judges ample space to move along the edges of the pool as they fulfill their role. Additionally, if you have a question regarding the S&T judge's decision, please consult your team's league rep(s) with any questions or concerns. Neither spectators nor swimmers should directly contact a S&T judge regarding a decision they have made.

**PHONE APPS:** Follow the action on your phone by downloading the following apps:

- **Twitch** - This app will allow you to watch the action inside the pool deck as it will be streaming live. Search for "sslchamps"
- **Meet Mobile**- This will have live updates from the timing system inside the Aquatic Center. It will be the most up to date as each event concludes. We will be manually updating Swimtopia, as well after each event is concluded but it will not be a live account of events.

**SWIMSUITS:** In keeping with our purpose as a recreational swim league please be advised that tech suits and fast suits of any kind are prohibited. Any swimmer wearing any "performance enhancing swimsuit" will be asked to change.

**ZOO AREA:** Only swimmers and zoo volunteers are allowed in the zoo area. There is no crashing allowed in the zoo area.

**COVID:** The CDC recommends that people that are not vaccinated wear a mask indoors. Please observe the posted signs. If you would like more information, please visit CDC.Gov.

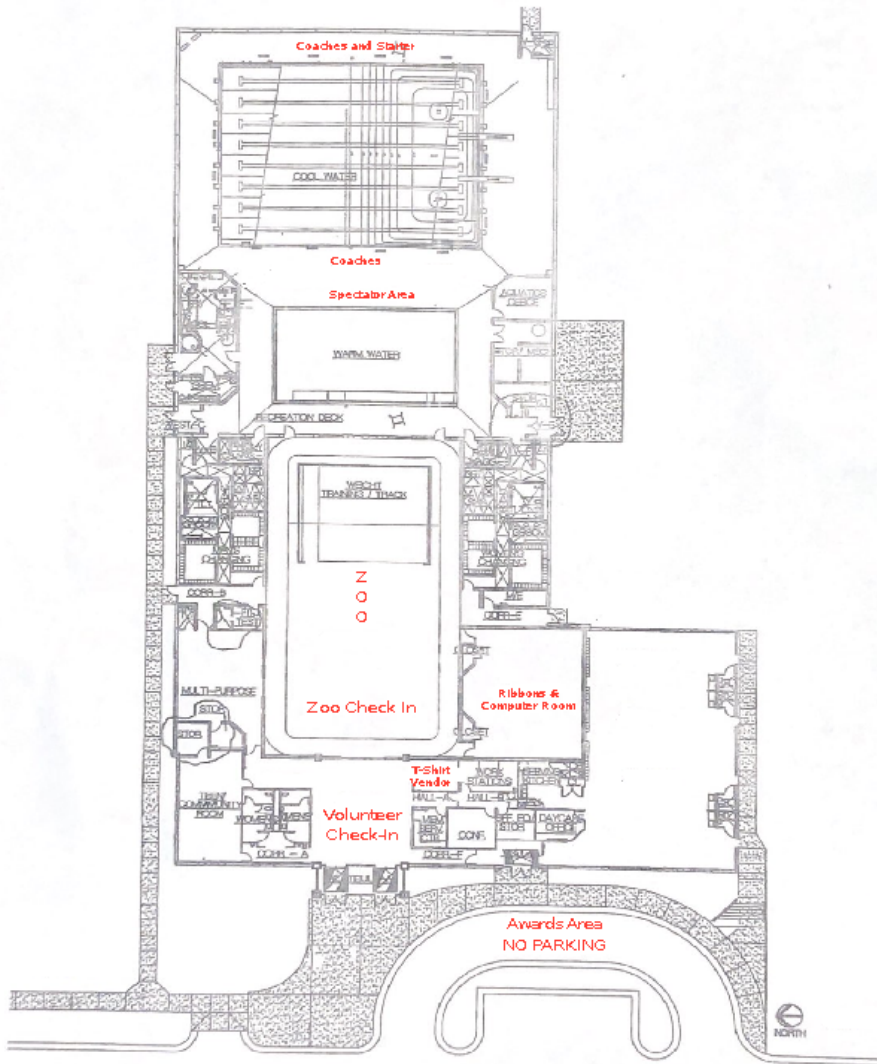

**INCLEMENT WEATHER:** In the instance of inclement weather, we will move forward with the meet unless power goes out. If weather precludes outdoor crashing, only swimmers can crash in designated areas inside the Aquatic Center and parents will have to follow along from the parking lot. You can only enter the center to watch your child's event, then you will be asked to return to the parking lot.

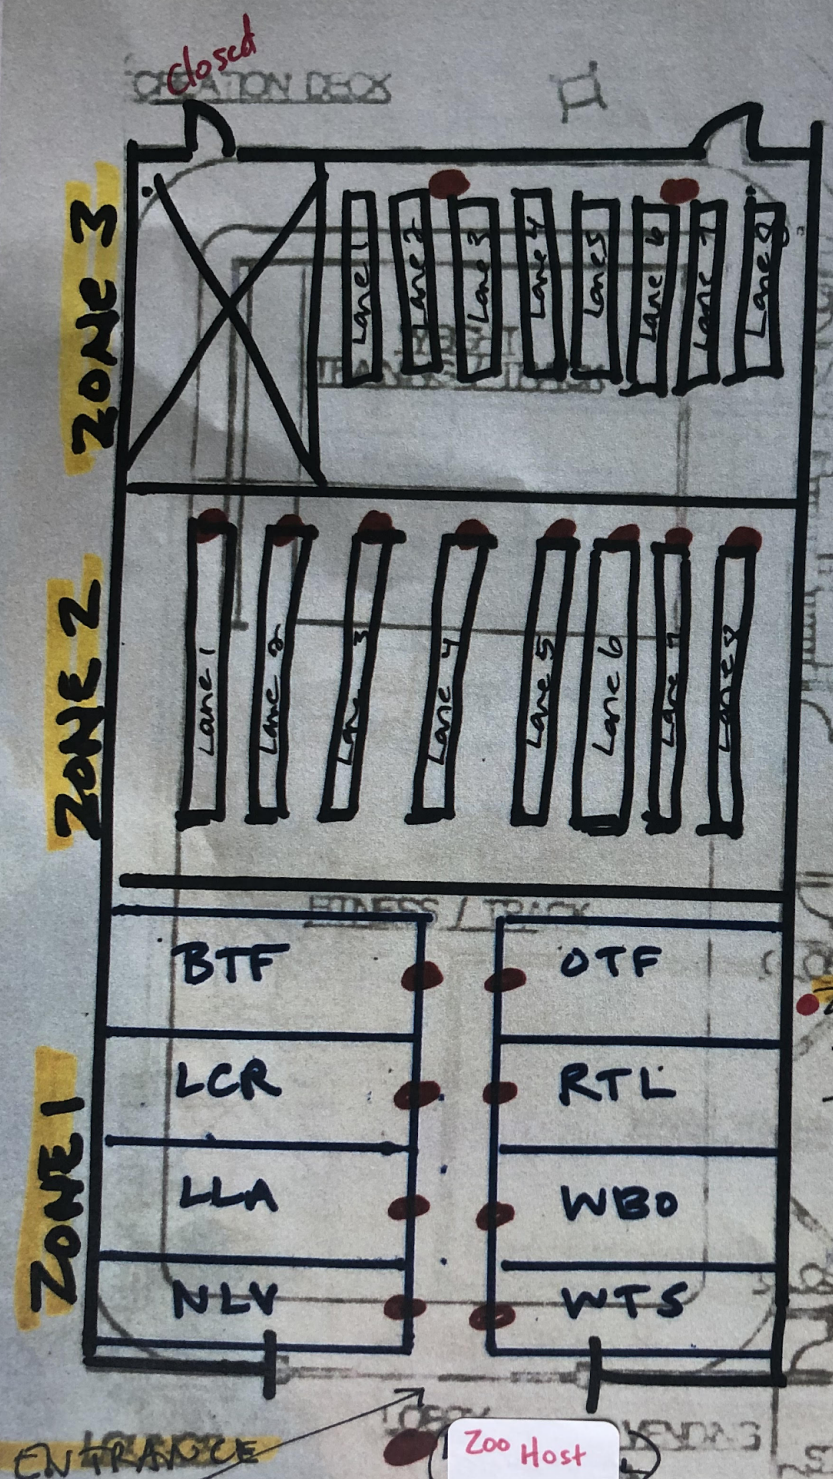

**SPECTATOR CRASH AREA:** Spectators are allowed to set up canopies and tents in the grassy areas outside the Aquatic Center. Items allowed are: lawn chairs, small folding tables, coolers, blankets, etc. **The following items are not allowed: alcohol, glass containers of any kind, BBQ grills (gas or charcoal).** *Please be advised all SSL-sanctioned events are non-alcoholic and alcohol will not be allowed.*

Attached is a map of crash areas designated for each team. Please know you can crash wherever you want outside of the building, but we recommend staying by your team so it is easier to find missing swimmers, and IT'S JUST MORE FUN!!

## WORK FLOWS

### 1. Check-In:

Each team will have a labeled spot at a check-in table in the lobby. The only thing you need to provide is your bin/tub that you usually bring to away meets and your check-in document. We will have a master volunteer list for your team taped to your table as an all-day resource, as well as a complete master list taped to the glass windows as you enter the zoo.

### 2. Zoo:

Above is a diagram of the zoo layout. Notice the zoo will be broken into zones:

- Zoo Host - welcomes swimmers and checks that arms are correctly marked; if not, "markers" will be standing by.
- Zone 1 - Swimmers separated into teams w/help of 1 familiar faced volunteer from each team.
- Zone 2 - Swimmers will be organized by lanes.
- Zone 3 - Swimmers will be organized by "complete heats" and finalized before heading thru door to "batter's box" behind the blocks.
- Zones 4 & 5 are on the pool deck.
- The Clerk table will be located in the center of the zoo area, between Zone 1 and Zone 2.

### 3. Computer/Ribbons room -

This is located off the "zoo" in the aerobics room; each team needs to bring their ribbons, computer(s), 1 extension cord labeled with your team name, ribbon labels, and a printer.

### 4. Pool Deck:

- The warm-up pool will be off-limits for the entire day.
- Each team will have a labeled area for their coaches on either side of the pool. Please have each coach bring their own bag chair.
- Shorter benches will be provided during 10&under meet at the opposite end of pool to help during relays.
- Starter will be located on the wooden deck near blocks, but the computer table for plungers to connect to will be midway, along the far side of the pool, between coaches. Due to safety concerns, no swimmers will be allowed to walk behind this area. Therefore, swimmers can either use the main exit if leaving from the blocks or use the exits located back near the warm-up pool. No spectators will be allowed to walk behind blocks and will need to enter/exit near the warm-up pool.

### 5. Awards:

This will take place in front of the Aquatic Center, in the circle drive. We will have "steps" for winners to use during pictures as well as a speaker or 2 and microphone.

### 6. Other Information:

- First-aid will be located in the lifeguard office on the pool deck (which zoo passes by on their way to the blocks.)
- Speakers will be placed outside of the building to allow Clerk to make announcements for the Zoo.
