

POOL SHARKS REFERRAL PROGRAM

Know a family interested in joining the Pool Sharks? Want to help grow your local summer swim program? Do you like gift cards? If so, now is your chance. Get a \$20 Simply Swimming gift card for every new **family** you refer to the Pool Sharks this season. Here is how the process works:

When you refer a new family to the Sauk Prairie Pool Sharks (SPPS) and both you and the new family have paid registration, you will receive a \$20 gift card to Simply Swimming. All you have to do is supply both your name and that of the new family on the lines below and when we have received payment from both you and the new family, we will get your card(s) to you.

There is no limit to the number of family referrals that can be made, so start recruiting today!

Referring Family _____

New Family _____

Referrals may still be made after the March 16 registration. Please fill out the form and have the new family send it in with their payment. If you have any questions regarding the swimmer referral process, please contact any Sauk Prairie Pool Shark board member.

Note: A new family is one that has not had any previous swimmers swim with SPPS. Only one card per new family referred. New families welcome to refer also!
