

GASL Silver Championship Meet - Bay Hills Swim Club
580 Bay Hills Drive, Arnold, MD 21012
Saturday July 22nd, 2023 8:00am

Meet Entry Director- Jason Geist - jason.geist@gmail.com 410.926.7405

Warm ups: 6:55am-7:55am – Please see the attached table.

Parking: Parking is permitted on both sides of the road where the curb is NOT YELLOW. Do not park in the golf club lots across the street or block resident's driveways. Carpooling is highly recommended.

Seating: Some pool chairs will be available but not enough for everyone, so bringing a chair is recommended. Look on the pool map for your team's assigned seating area. Coaches may bring a chair and sit pool side, 1 per team, and additional coaches as space permits.

Volunteer/ Team check in: Please have a representative from your team and all volunteers check-in at the computer/ribbon table by 7:45am. Timers and officials will meet at 7:30am.

Relays: Relays require positive check in between 7:00am-7:55am. Please send your relay squad with their relay card (from the coaches' packet) to the computer/ribbon table for check-in.

Meet Info, Programs and Line Ups: All teams will be emailed a meet notice, team line up and meet program to distribute to spectators. They will not be available at the pool. Coaches' packets will have three copies of the meet program in them.

Concessions: We will have a full line up of breakfast and lunch foods.

Starting areas/Spectators: The deep end and shallow ends will be used for the starting and finishing areas. Spectators are not allowed in those areas. Please do not stand at the shallow end of the pool and block the walkway. Spectators may stand behind the ropes on the sides of the pool and space is tight, so please be respectful of parents trying to get in to see their kids swim.

GASL Silver Championship Meet at Bay Hills Saturday 7/22/23 8:00am

Our parking lot is small. Parking on Bay Hills Drive is available. Do not park in the Bay Hills Golf Course lot; they will tow. Please be mindful of not parking on the yellow curb fire lanes and blocking the resident's driveways. Carpooling is suggested!!
