Awards:

High Point is given to the swimmer in each age group who has scored the most individual points in the five MCSL dual meets and divisional meet combined.

Most Improved is given to the swimmer in each age group who has dropped the most time in all strokes during the season and has worked hard to improve their times.

Coach's Award is for team members who go above and beyond.

Thanks to our team reps: The "A" team, Marty Brown, Monica and Tom Faucette, and the "B" team, Heather Bruskin and Kelly Oskvig. Thanks also to the many parents who time races, sell spirit wear, get swimmers where they need to be, officiate, peel and stick labels, and all the other jobs that go into giving our kids a great swim experience!

Thank you to the GP Swimming Pool Association Board for their support of the swim team!

The coaches want to see Ladybugs in the pool all year long! Feel free to ask them about any of the year-round swimming programs listed below.
