# ~ Awards ~

**Most Improved** is given to a boy and a girl in each age group who improved the most throughout the entire season. This includes performance in A meets, B meets, and Divisionals. It accounts for all individual events. This award celebrates those who made the most of their opportunities and viewed every swim as a way to improve.

**High Point** is given to a boy and a girl in each age group who scored the most combined points in the A meets, Relay Carnival, and Divisionals. This award accounts for points scored in individual and relay events.

**Coaches' Award** is given to two swimmers who value commitment, teamwork, and spirit throughout the entirety of the season. The Coaches' Award recognizes the swimmers who consistently put the team first and understand the balance between competition and fun.

# Graduating Seniors

**Graham Eckert** has been a Ladybug since he was 6 years old. His favorite stroke is breaststroke. Graham graduated from Walter Johnson where he was on the football team his freshman and sophomore year, and on the swim team as a senior. He is a lifeguard at Cedarbrook Pool in Kensington where he and his family live. Graham will attend the University of South Carolina in the fall and will major in Sports and Entertainment Management.

**JoJo Liebrich** joined the Ladybugs at age 11 when his family moved to Garrett Park from Seattle. His favorite stroke is backstroke. JoJo graduated from the Washington Waldorf School in Bethesda, where he was the editor of the school newspaper and led the baseball team to their first-ever tournament championship. He's playing for KOA on the Maryland Collegiate Baseball League this summer. JoJo will attend Elon University in North Carolina this fall with a major in Journalism. He hopes to play baseball there as well.

**Goodbye and thank you to our graduating parents, Deborah and Paul Eckert.**

**A huge thanks** to the GPST Leadership Team: Monica & Tom Faucette, Kate Fritz, and Gwen Wade (A Reps); Megan Dennis and Elizabeth Koza (B Reps); Angie Melton (Treasurer); and Heather Down (Automation).

**THANK YOU PARENTS!** We could not do it without all the parent volunteers who time, sell spirit wear and concessions, get swimmers in the right lanes, officiate, label ribbons, score, and perform all the other jobs that make our kids have an awesome swim team experience!

We also want to thank the Garrett Park Swimming Pool Association Board for their support of the swim team and the lifeguard staff for keeping us safe!
