## **MESSAGE FROM OUR** **COACH**

What a great first meet. We had many obstacles lastnight...whether conquering the block, doing a flip turn, or making sure to touch the tile instead of grabbing the wall. So many big moves!

Moving forward let's be sure we show up **ON TIME!** We had quite a few that didn't get to warm up because they showed up at 5:45, should be arriving 4:45.

In the future, we as a team, would like to work on our dives not being so deep. Also making sure we **KNOW** our stroke counts for backstroke in relays and individual events! We need to focus on practice. Cary Park next week will **NOT** be an easy one for us!
