MESSAGE FROM OUR COACH

Talk about a nailbiter! It was really something duking it out event by event with Cary Park. Seeing we had less than 50% attendance for the meet, we got lucky! Folks, it makes a difference who all shows up each meet. Our hopes, as coaches, is that that you all will take the commitment on Tuesday nights to show up and keep the UClub a top tier team!

The coaches LOVED all the cheering from start to end! Who doesn't get pumped up when your teammates are cheering for you?! Keep it up! With that, we had some DQs that we can't have again moving forward (especially against 7OAKS down the road). Many illegal kicks in breast stroke...scissor or alternate kicks, pulling arms all way by side(only allowed once in pullout) and hand touches need to be simutaneoulsy on the tile. Take extra time to practice this to get legal.

Let's practice good habits!
