

CROOKED CREEK:

We are excited to host the Garner Swim Team at our pool this coming Wednesday. Our address is: 5729 Brushy Meadows Drive in Fuquay-Varina, NC. We have a 6-lane, 25 yard pool.

Swimmers

We expect about 50 swimmers. How many swimmers will you bring? Visiting team warm-ups start at 5:30pm, the first event starts at 6:00pm. Please ensure each swimmer's number is easily visible on their arm prior to the meet.

No Lighting

We do not have lights for the meet, so we will need to finish the meet by about 9pm. We would like to use dive-overs for the 11+ swimmers to keep the meet moving as quickly as possible. Please let me know if you have any concerns about dive-overs.

Timing/Scoring System

We use stopwatches and timer sheets (home team will provide all 6 lanes per Tracey's email at the beginning of the season). We enter times into Meet Maestro on deck and following the meet. We will also have the order of finish judges as a back up to the timers. We will provide 6 timers (1 per lane) and we ask that your team provide 6 timers as well. We will have a volunteer meeting at 5:45pm to go over specifics for the meet.

Parking

The hard-surface parking lot is reserved for your families, our guests. Spaces are limited, so please encourage carpooling. Overflow parking is in the grassy area between the pool and tennis courts. Please ask your families to leave a "lane" open so that cars can enter and exit the overflow parking areas. Please do not park on the grass in yards along the road and be cautious driving on our curvy roads. We do not have sidewalks in the pool side of the neighborhood, but we do have many walkers, joggers, kids and pets.

Pool Deck

Your team's home base for the evening is the area by the kiddie/shallow end of the pool. We do not have any permanent shade structures, so you may want to bring canopies if you have them. Our furniture is not accessible for meets, so families should plan to bring their own chairs.

Concessions

Our concession stand will be serving pizza, candy, chips, novelty ice creams, water, soda and other snacks.
