Team Reps,

Each Team will also need to provide (please communicate to your volunteers which position they are working – i.e., time board timer, head lane timer, RTO – timer):

Relay Take Offs/Turn End	One per Team (some will provide two, if assigned Corner RTO – need 10 total)
Relay Take-Off/Timers/Start End	One per Team
Head LaneTimers	One per Team
Time BoardTimers	One per team
Clerk of Course	One per team (two teams will provide two – for walkers)
Table Workers	One per team (see assignments below)
Awards (Ribbons)	One per Team
Marshals	One per Team (for your team's warm-ups) + 6 meet marshals

It is preferable to use a Stroke and Turn Judge, or a very experienced RTO, as Corner RTOs, as they are watching three lanes.

Please start sending these names to me also. I will send updates to everyone regularly as names come in.
