

Approaching the pool via Little River Turnpike

- If you are turning onto Wakefield Chapel from Little River Turnpike your GPS is probably going to try to take you to the pool via Toll House Road. **Do not turn onto Toll House Rd.** Continue on Wakefield Chapel until you get to Holborn Ave. (your GPS should redirect you to Holborn Ave once you are past Toll House Rd.) Turn onto Holborn Ave., go down the hill, and continue past the entrance to the pool to the swimmer drop-off area about halfway up the hill. After you drop off your swimmer, continue to the top of the hill and proceed straight at the 4-way stop. The Sprague Center is located on your left about a ¼ mile past the 4-way stop. Additional parking is available throughout the neighborhood.
