2025 JSSL Championship Meet

July 13, 2025

Independence High School – San Jose, CA

Dear Swimmers, Families, and Friends,

Welcome to the 2025 Junipero Serra Swim League (JSSL) Championship Meet—aka *Champs*! After a season packed with fun, fierce competition, and plenty of memorable moments, we're thrilled to bring it all to a grand finale at Independence High School Pool. Let's cap off the season with one last big splash!

A warm welcome to all our new swimmers and families joining us at Champs for the first time. To our graduating seniors, we send off our heartfelt congratulations and best wishes—your legacy lives on. And to every swimmer who's trained hard, cheered loud, and raced their heart out—today is for you!

This meet wouldn't be possible without our incredible crew of volunteers. A giant THANK YOU to the head volunteers and amazing parents who are making this day run like a well-oiled machine. Your commitment, energy, and team spirit are what make Champs so special!

A personal thank you to Lisa Guyman (Saratoga Woods), whose steadiness keeps me grounded, Bernadette Longo, for being flexible and ready to tackle any task, you'd make a great swim director, wink, wink. And to Carmen Rodwell (Greenmeadow), your encouragement and calm was appreciated. Chris Thurman (Greenmeadow), thank you for keeping me on track. And Chris Co (Saratoga Woods) for never doubting me.

I'm also beyond grateful to this year's JSSL Board. Your passion and leadership helped bring Champs to life. A huge shout-out to Chris Thurman (Greenmeadow), Toan Nguyen Le (Brookside), Elizabeth Fitch (Laurelwood), Kristi Schramm (Cupertino Hills), Kyla Farrell (Eichler), and Chris Co (Saratoga Woods). Thank you for everything you've done behind the scenes.

To my little dolphins, I love how much you love our club. You're the reason I'm a bigger part of the league. It's all for you! And a big shout out to my husband, Adam thanks for putting up with me the past month.

And a special thank you to our program cover artists, Catherine Thurman—your artwork is the perfect touch to today's event.

Swimmers, hit the water with heart! Give it your all, soak up the fun, and let your sportsmanship shine like it has all season long.

Catch you poolside,
Laila Fields

Independence High School – San Jose, CA

Safety Notice

Please remember that Independence High School was built with high school sports in mind. With large numbers of active and inquisitive kids accompanied by involved parents, we need to keep the following in mind:

- **No chairs, tents or shades will be allowed in the bleachers** (“Competition Viewing Area”) or upper deck walkways. No “camping out” for the meet in the competition viewing area.
- **Parents will not be allowed on deck once competition begins, unless they are working a volunteer job.** It becomes too hard for the timers and officials to do their jobs and too hard for the swimmers to get to the blocks with parents trying to watch or assist their kids on deck. The fewer people on deck, the more smoothly the meet will run. Parents should discuss this with their younger swimmers so it’s not a surprise. (Coaches could plan how to orient the younger swimmers to the pool area before the start of Champs.)
- **There is no playing allowed in the diving pool or the warm-up lanes.** All pool equipment and training apparatus are owned by Independence and should not be touched by JSSL. Children not following this critical rule can be barred from swimming in the meet.
- The railings on the spectator stands were not designed with children in mind. **No one should sit on, hang on, climb on, lean over, etc., the rails.** This also applies to the walls and stairwells in the complex.
- **During competition the only pool open to JSSL is the competition pool.** Once competition begins warm ups will be limited to swimmers 11 and older in designated lanes of the competition pool.
- **There is absolutely no diving or jumping in this warm-up area.** A “three point entry” (keeping your hand on the side of the pool) is required in this warm-ups area. Please explain this rule to your swimmers in advance. Marshals may ask children to leave the Championship Meet if they are found playing on equipment or in pool areas that are not part of our meet.
- **Recreation locker rooms are only for JSSL swimmers.** Do not leave items unattended in the locker rooms.
- **Food is not allowed on the pool deck.** Eat only in the designated areas. No cans, bottles or glass containers are permitted at Independence High School.
- Parents may want to remind their kids not to leave the complex without permission. Multiple gates will remain open throughout the meet.
- No strollers or wagons are permitted and must be left at the team camping areas.
- **There is absolutely no alcohol or vaping allowed on the property. Failure to comply will result in JSSL being unable to rent out the facility for next year, so please review this rule with your team.**

2025 JSSL Championship Meet

July 13, 2025

Independence High School – San Jose, CA

1. Clean-Up

Clean-up crews consist of 3 teams: Trash/Lost & Found, Tables & Chairs, and Teardown (EZ-ups, cones, buckets, etc). Each club is responsible for cleaning its assigned seating section in the bleachers and team area before leaving. All EZ-ups must be taken down and removed by teams that own them. Clean-up crews are to meet the **Head Teardown Volunteer** at the Clerk of Course following the relays. Clean-up must be complete before each team leaves. Any cleaning expenses will be allocated to a team whose area requires Independence to clean it. All trash bags should be hauled to the front entrance of the pool.

Lost and Found items can be reclaimed at the First Aid station. Remaining lost and found items need to be cleared from Independence High School (attempt to notify owners or donate items to charity). Deck passes should be returned to Chritine Hodsonl or the lanyard bin at the volunteer check-in.

If time permits, there will be a brief awards ceremony for individual and team awards. The announcer will announce plans for the awards ceremony towards the end of the meet. Otherwise, meet coordinators can pick up their team's awards following "clean-up" clearance.

2. Meet Flow

3. Description of Meet Flow

Head volunteers will review processes with each volunteer group during morning meetings the day of Champs.

There is no designated area for swimmer check-in – each team can handle check-in on its own. Heat/lane assignments will be printed in the Program and posted outside the boys locker rooms, between the main gate and the volunteer check in table. Please write event, heat, and lane on swimmers' arms.

Parents should deliver their children to the Clerk of Course ramp by the volunteer check in area at the appropriate times. Clerks of Course will check for correct heat and lane assignments. Parents are **NOT** allowed on the pool deck area or in the Clerk of Course area. Starting block workers will be stationed behind the starting blocks for the entirety of the meet.

2025 JSSL Championship Meet

July 13, 2025

Independence High School – San Jose, CA

Flyover starts will be used for 9/10 freestyle and all 11 and up individual events (except backstroke). Dives from the blocks and pool edge will be used for all relays.

Two teen swimmers or coaches will act as the "False Start Rescue Team" for **6-8 year old swimmers**.

For each heat of each event:

- Swimmers are called to the blocks. If a swimmer is missing, the starter will call the missing swimmer only once – to make sure they are not left behind the blocks – before proceeding.
- Starter announces heat and starts race.
- When the starting beep sounds, manual timers start watches; time automatically starts for the electronic buttons.
- Next heat of swimmers prepares for their race.
- When swimmers touch the wall, the electronic buttons and manual watch timers will push their buttons to record a time. **All buttons should be held behind the person, not over the water – this will prevent the buttons from being pulled out of the connection, causing system failure and meet delay.**

Timer 1: primary button
Timer 2: secondary button + manual stopwatch
Timer 3: third button + recorder

- When swimmers touch the wall, the Place Judge will record the finish order, by lane. In the event of a close race, the top 1st, 2nd, 3rd spots are the most critical to document.
- Electronic times are automatically sent to the printer on the pool deck. Printouts are given to Head Table Intermediary.
- Event Sheet Runners pick up recorder sheets with manually recorded times from each lane and gives to the Head Table Intermediary.
- DQ runners pick up DQ slips from six Stroke & Turn judges and give them to the DQ reader who will give it to the Head Table Intermediary.
- Intermediary collates DQ slips (on the top), Place Judge reports (2nd), timing system printouts (3rd), and manual recorder slips (on the bottom).
- Collated pile is taken to the data table by Data Runner #1. Ideally, these piles are taken often (once per event). It helps speed up the ribbon label printing process and keeps the data management smooth and even.
- Data Runner #2 picks up ribbon labels and 9 copies of the results reports from the data table. Results reports are distributed to coaches (6), Head Table (1), Announcer (1), and (1) posted on the results wall. Ribbon labels are taken to the Ribbon Table Workers.

Larry Hyde has been the Eichler Gators for around 20 years and Head Stroke and Turn Judge for 15 of those years. Look for Larry on deck as our 2025 Champs Head S&T judge.

His daughter Melanie joined the Eichler Gators when she was six, and Larry took on the role of Head Stroke and Turn Judge for the Gators a couple of years later and has held it since (with the exception of one year when his daughter swam for PASA instead of the Gators). This is Larry's last season as Head S&T Judge for Eichler. Now retired, he looks forward to traveling more freely in the summer. He deeply values the life long friendships he has developed through volunteering with Eichler and JSSL. Larry has been an invaluable contributor to JSSL as a quiet, consistent and steady presence and we are grateful for his commitment to our league.

Larry, you are always welcome back on deck.

THANK YOU LARRY HYDE

We're incredibly proud of the dedication, memories, and lasting bonds you've built along the way. As you head to Bucknell to play water polo, we know you'll make waves there too.
