Conference is a very long meet. It is important that your child packs everything they will need for the day. Our team area will be under a tent on the lawn, so it is a good idea to pack chairs and blankets/towels to sit on. Your child will also want a change of clothes to wear between races and stay warm like a sweatshirt and sweatpants. They will also need something to occupy them during the day and make the time between races pass by (card games, coloring books, electronics, etc.).
