

VOU Seahawks @ VOU Blue Crabs

Meet Information June 28, 2025

Location: The home of the Blue Crabs is located at **3630 Stone Barn Drive, Urbana, MD 21704**. The Villages of Urbana Stone Barn pool is a 25 meter, eight-lane pool with starting blocks. The depth at the starting end of the pool (left side in image) is 9.5 feet.

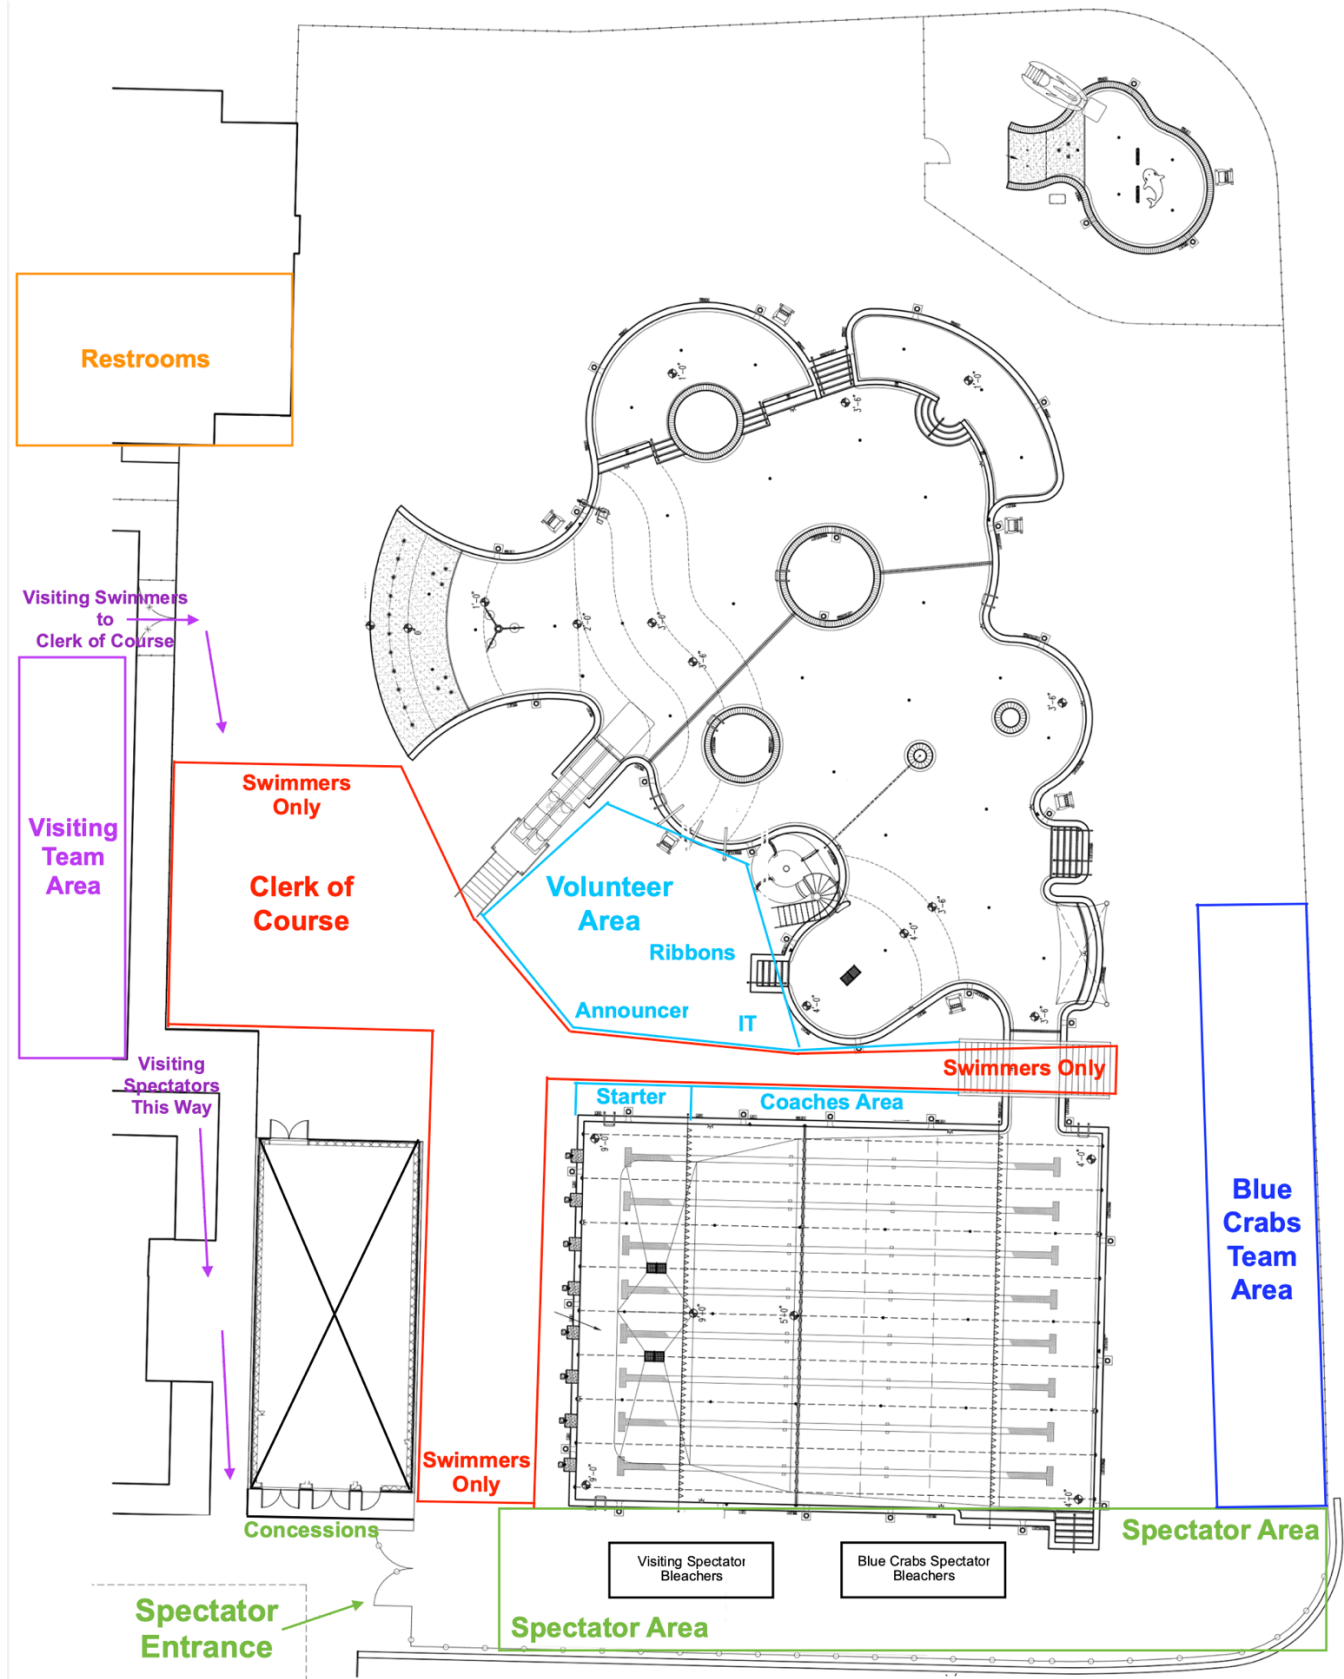

Parking: Parking is available around the entire complex and the surrounding neighborhood. The visiting team parking area is located on the north side of the community buildings (left side of the image), while the Blue Crabs parking area is located on the west side of the buildings.

Team Seating Area: The visiting team area is located in the grassy area between the two buildings. This provides direct swimmer access to the clerk of course, and an easy path for spectators to go and enjoy the meet where two sets of bleachers line the competition pool.

Please refer to page 2 for a map of the pool complex and swim meet layout.

GroupMe: To help our meets run efficiently, we have created a GroupMe event group to announce the events reporting to Clerk of Course during the meet and also provide any necessary meet announcements. This is the primary way that we will be calling swimmers to report for their event, so please have your parents download the app and [join the event group](#) for this week's meet.

IT Entries: Samuel Nevares (it.urbanbluecrabs@gmail.com) is our IT rep and will be seeding and running the meet. Please submit your team entry files to Sam no later than 8:00 PM on Thursday, June 26. Once the meet is seeded, Sam will email a copy of the Meet Program, Entry List, and Meet Manager back up file to your IT contact. We will provide 4 printed programs for your staff.

Concessions: We have one of the best concession stands around in the Crab Shack, and like us, I think you all will be thrilled with the concession options and prices. The Crab Shack is right next to the main spectator entrance. Cash is the preferred method of payment (small bills only).
