Merriam, KS 66202

See the attachment for additional information on what to bring to the Swim Meet.

About Swim Meets:

All pre-competitive swim meets will be held on Saturday mornings. Warm-ups begin at 8:00am and the meet starts at 8:30am.

The meets can last about 1-2 hours, depending on the number of swimmers and events that are scheduled.

For our 2nd meet swimmers will only swim a 25m of Freestyle, 25m of Backstroke, and a 25m of Breaststroke.

Volunteers/Meet Tasks:

For the Pre-comp meets, timers, lane managers, and pit bosses are needed to help run the meet. Parents please be prepared to step up and help where it is needed.

What to Bring:

- Team Suit or Racing Suit
- Team Shirt
- Additional Clothing - if needed
- Team Swim Cap - Coach Caitlyn will have them if you don't have one yet
- Goggles
- Towel(s)
- Shoes - crocs, or flip flops, etc
- Water Bottle
- Sunscreen
- Bug Spray
- Blanket - to sit on if you want
- Something to do: The swim meet is pretty short however, having something to do can be nice:)

Other Things - Parents:

- We recommend that everyone bring their own snacks for their swimmers. If you would like to bring snacks for all the kids, please make a note in job signups on swimtopia.
- Spectator Area - There will be an area every swim meet specifically for watching the swim meet. However, we don't mind (your coaches) if you want to come to the swimmer area or sit in the swimmer area with your swimmer throughout the meet
- An Announcer will announce everything that is going on throughout the meet. They will call swimmers up by age group. Parents must listen in and keep an eye out on the pool, to know when your swimmer is about to swim!
