

## The Coves Swim Team Sponsorship Form

The Coves Swim Team is again looking for local businesses to sponsor our swim team. We are celebrating our 48th year as a team and we currently have over 125 swimmers ranging from 4-18 years old. Your generous support will go towards providing us with much-needed team equipment, medals and help assist those families who have fallen on harder times. We are a 501(c)3 team so your sponsorship is tax deductible.
