

The Coves Swim Team Sponsorship Form

The Coves Swim Team is again looking for local businesses to sponsor our swim team. We are celebrating our 50th year as a team and we currently have over 125 swimmers ranging from 4-18 years old. Your generous support will go towards providing us with much-needed team equipment, medals and help assist those families who have fallen on harder times. We are a 501(c)3 team so your sponsorship is tax deductible.

We want to work with you to receive the best value for your investment. Each of these levels can be customized to meet your needs!
