

Parking @ Washingtonian Woods Relay Carnival, 7/1/19

The parking in the parking lot immediately adjacent to our pool (indicated in blue) is reserved for team personnel (six spots/team). Everywhere in yellow (Midsummer almost past the intersection of Midsummer and Upspire and Upspire) is "fair game" for parking in the neighborhood. Visitors may also park in any/all streets past Midsummer. In addition, making a right on Upspire (after Midsummer), two blocks down, will take you to a park. Walking across the field will take visitors to a path that leads directly to the pool. That path will be clearly marked with chalk. **Visitors may NOT park in the Vistas Condos parking lots.**
