

North Creek Neptunes - 2021, COVID plans for Dual Meets
Pool: Hurley Park - 20737 Highland Hall Dr, Montgomery Village, MD 20886

Masks/Face Covering - Indoor (bathrooms, etc.) masking is required. Outdoor masking is encouraged for all non-vaccinated parents and swimmers. Visiting teams are responsible for sharing this expectation with visiting families. All volunteers (Officials, Timers, etc.) who are not vaccinated must wear a face mask. All vaccinated volunteers are encouraged to wear a mask when they will be in close contact with other swimmers/volunteers. For swimmers wearing masks to line-up, Neptunes will offer baskets for masks at each lane. Swimmers are expected to carry their own ziplock bag for their mask, with their name/team identified on the bag.

Social Distancing - Neptunes encourage social distancing between family groups and / or individual swimmers. Each team is responsible for "policing" their team area.

Spectators - Spectators may view from outside the pool fence, while maintaining social distancing. Spectators may also view the meet from the designated grassy area on deck. We ask that spectators stay only for their swimmer's heat, and not "camp out" in the spectator area. See attachment.

Traffic flow around pool - Neptunes encourage one-way traffic for swimmers and timers, to the extent possible. Swimmers entering to line up will enter through gate and go past baby pool. Swimmers exiting lanes should exit towards diving board. See attachment.

Bathrooms/showers - Bathrooms are open. Showers are not available.

Clerk of Course - Neptunes will spread lineups in indicated locations (see attached). There will be no chairs for seating at the lanes.

Warm ups - Neptunes request visitors split warm ups into 2 groups, 20 min each. Visitor warmups begin approximately 8:05 and end approximately 8:45

Refreshments/Hospitality/Concessions

Neptunes will offer bottled waters for officials/timers/volunteers.
Light concessions will be available. All prepackaged foods or canned/bottled drinks.

Visiting Team Location

Outside the pool deck, the visiting team location is the pavilion and surrounding grassy areas. Please do not spread out onto the ball field. Also swimmers are not allowed on the nearby playground.

The visiting location is well shaded and there are approximately 8 picnic tables under the pavilion. No other seating is available, so families may wish to bring their own chairs if not using the picnic tables.

Parking

Parking is limited. If the lot is full, please do NOT park on grass or on Highland Hall Dr and neighborhood. Parallel parking is available on Pleasant Ridge Drive.
