## **FAIRLAND AQUATICS SWIM TEAM**

Developing champion swimmers since 1992

- Low swimmer to coach ratios
- Family oriented atmosphere
- Novice to National
- Stroke development at all levels
- Home school group
- Mid-morning group for later school starts
- Development group for pre teamers
- Emphasis on long term development

**Fun Fitness Friends**

Fairland Aquatics can best be described as choosing the local mom and pop restaurant over the big national chain restaurant. Swimmers in our program receive top notch coaching, regardless of their ability level. Fast or slow, All Star champ or B meet swimmer, every athlete is a vital part of our program!

Swimming is the only sport where the entire family can participate in together. It is also one of the most organized youth sports in the world. Swimming is the great 'equalizer' for that kid with 2 left feet, it eliminates the height factor, and the cost to participate is reasonable.

## TOLLEFSON SWIMMING

### **Beginning Swimmers Stroke Classes**

For young swimmers not yet able to swim a length of the pool, these classes are limited to three with the instructor in the water. Swimmers learn proper breathing, head position, body position, and leg and arm movements in backstroke and freestyle.

### **Intermediate and Advanced Swimmers Stroke and Technique Classes**

These classes are for all swimmers able to swim the length of the pool in freestyle and backstroke. With a class limit of six, students are hand-selected for placement assuring maximum progress. Swimmers learn intermediate and advanced techniques in the four competitive strokes as well as starts, turns, and finishes.

### **Training/Endurance Classes**

These are 45 or 90 minute practice sessions for intermediate and advanced swimmers. Swimmers practice skills learned in stroke class to increase strength, speed, and endurance and will swim from 900 to 4,000 yards in each class.

### **Competitive Swimming**

Team Tollefson provides fun and competition for advanced swimmers of all ages. As a part of Potomac Valley Swimming and USA Swimming, Team Tollefson swimmers practice and compete throughout the year.
