Manage Qualifying Athletes

The Colorado High School Activities Association is using MaxPreps to collect the names of all athletes who have qualified to compete in state championships. You must designate your qualifying athletes between **1/24 8:00 AM** and **2/3 10:00 AM (MST)**. You do not need to send your selections to the association office; they will run a report after the deadline has passed. **Please double check your Roster View tab and ensure all nominated athletes have a class year/grade.** If any athletes are missing a grade, **please update it on your roster.**
