Officials Survey Feedback - 2024

How satisfied were you with the training you received?

126 responses

Opportunities to improve

- More shadowing opportunities
- More examples of DQ scenarios
- Updated videos for stroke changes, DQ situations
- Online dashboard – certification expirations
- **Earlier communications and trainings before May**
- Weekly newsletter – highlighting situations encountered
- Alignment with USA Swimming/VHSL certification requirements

Additional Feedback

- Remind parents to relax and have fun
- Improved communications from team reps to solicit officials earlier

Action: Recommendations for April League Meeting

- Ribbon Distribution
- Label best practices
- Host v. Visiting Team
- Medals
- Etc

Proposed Rule Change

Current

3.1 All swimming pools used for conducting meets by swim teams in the League shall be measured for water depth at both ends of the pool, for use in compliance with section 3.6 below, ~~by an Officer of the Board and a representative of the respective team's pool that is being measured.~~ The measurements shall be documented by the date and the names of those individuals who measured the pool; and set forth in Appendix 6. This Appendix shall be updated with each new pool that is used for conducting meets by swim teams in the League prior to its use for a League sanctioned/scheduled meet.

~~3.1.1 The water depth shall be continuously measured for a distance from the end wall to a minimum of five (5) meters from the end wall; and the minimum water depth observed shall be documented for each end of the pool.~~

3.1.2 Team representatives whose pool is a SCY pool will inform the visiting team before the meet.

Proposed

3.1 All swimming pools used for conducting meets by swim teams in the League shall be measured for water depth at both ends of the pool, for use in compliance with section 3.6 below. The water depth shall be continuously measured for a distance from the end wall to a minimum of five (5) meters from the end wall; and the minimum water depth observed shall be documented for each end of the pool and records kept with the team management.

3.1.1 Team representatives whose pool is a SCY pool will inform the visiting team before the meet.

Proposed Bylaws Change

3.3 Annual and Regular Meetings. The annual meeting of the members shall be held on the 3rd Thursday of October each year for the election of directors and for the transaction of such other business as may be properly brought before such meeting. Regular meetings of the members shall be held on the 3rd Thursday in January, March, and the first Thursday of June.

The ODSL Board shall meet as needed to prepare for league meetings, events or discuss pertinent information.

~~Any additions or changes shall be sent to the membership 30 days ahead of the change in advance of. The ODSL Board shall meet on the first Thursday of each month and post minutes to the ODSL website.~~

3.5 Notice of Meetings. Electronic notice of annual and special meetings shall be provided by a board designee ~~by the Vice President/Secretary~~ to the members not less than thirty (30) ~~nor more than ninety (90)~~ days before the date of the meeting.

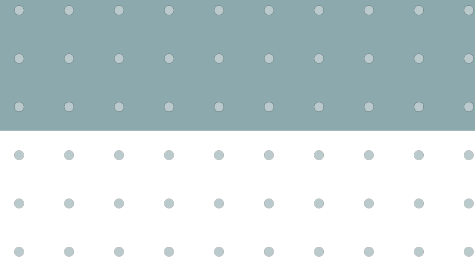

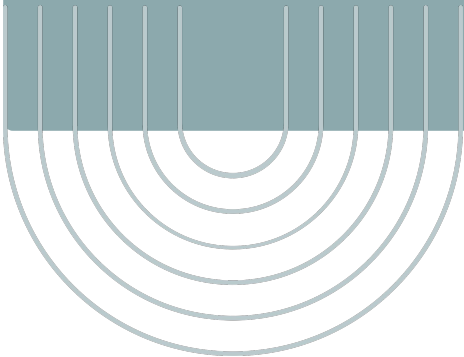

Proposed Bylaws Change

4.5 Election of Directors. Directors shall be elected by the voting members of the corporation during the annual meeting. If any Board positions remain unfilled at the annual members' meeting in October, those positions may be filled during the January meeting, provided a quorum is present

4.6 Terms of Office. All directors shall retain their respective offices as directors until their successors shall be duly elected and qualified.

Occasionally, shadow positions may be permitted, such as for the roles of computer operator and head officials, to ensure continuity. These shadow positions are intended for learning purposes and will not have an official vote on board matters.

Membership Voting

Summary of Actions – March

Transfer League Account To Bank That Offers Electronic Options

Determine Divisional Hosts (Each Division)

Confirm All-star Host – Dulles Farms ?
