ODDS AND ENDS

- Homecoming Float for August 2019! We are planning a redesign of our float. Our theme will be Upcycling!! Could you save old goggles, kickboards, fins, pool flags, lane ropes, etc? Maybe your club team could help? We don't have storage for this at present, so if you could hold onto this for now, it would be appreciated.
- Shutterfly—Our private site to share team pictures. There are folders for each event.
- Athletes, if you have pictures to contribute on our Team Facebook or Instagram pages, send to Valyn or Ms. Fealy.
- SENIORS—be sure to apply for the VRHS Athletic Boosters Scholarship!! Our booster club contributes to this each year, your parents are all members of the booster, so you are eligible.

Eye for Design?

Good at Comparison Shopping?

- The Boosters need a Merchandise Person for next year!! Some of the work for this would start this spring.
- This Booster member would help with the design, pricing and ordering of our Team shirts, our Championship shirts, Spirit Wear and any other items we would sell as a Club.
- Team shirts should come at beginning of September. Championship shirts should come in January. We have merchandise ready for the Rally at the Ridge sale in August.
- If you would be willing to serve our athletes in this way, please email katzap2112@gmail.com
