Pflugerville Piranhas 2026 Sponsorship Drive

2026 Fundraising Goal: $10,000

Help us Upgrade our Event Board!
Clear, real-time communication keeps our team running smoothly. New event boards will help swimmers, coaches, and families stay informed and organized throughout the chaos of meet days.
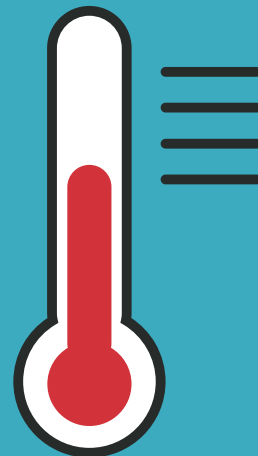

Reliable Equipment Keeps Our Team on Track!
Upgrading our printers, improving WiFi, and replacing tarps for the pits will help ensure smooth and efficient meet days for everyone.

Keep Our Trailer Meet-Ready!
Your support helps keep it in top condition, so our volunteer families can focus on the team—not the tow.

At the Pflugerville Piranhas Swim Team, we are deeply committed to teaching the essential life skill of swimming to our community's youth. As a 501(c)(3) non-profit organization, we rely on fundraising, registration fees, and vital community partnerships to support our season. These partnerships are essential for managing pool fees, upgrading equipment, covering insurance, maintaining certifications, and providing training opportunities to our coaches.

Sponsoring the Pflugerville Piranhas provides businesses with exposure to hundreds of people from the Pflugerville area. Our team of 270 swimmers competes in a 13-circuit league, attracting significant attention. We proudly highlight our sponsors throughout our events, offering excellent visibility and engagement with the swim community. Join us to connect with numerous families in the local Pflugerville area and gain valuable exposure for your business.

We deeply appreciate your consideration and support, as all donations are tax- deductible and directly contribute to the enrichment of our program and community.

Thank you,

Pflugerville Piranhas
