About the event

- The event was started in the early 1990's and is held in July each year. It has been hosted at the Kingston Chase pool for the past ten years. It will be there again in 2018 with your help.

- The event begins with the

led by true Olympians, This past year they were:

- **Josh Davis** In 1996 Josh Davis made history by becoming the only man in any sport from any nation at the Atlanta Olympic Games to win 3 gold medals. With a passion for representing our country, Josh returned to the Olympics in Sydney in 2000 where he was elected Captain of the USA Men's swim Team. He went on to break the American record three times in his event the 200 meter free-style and won two silver medals at the 2000 Sydney Games. After 2 Olympics and 5 medals, Josh has established himself as ambassador for the sport of swimming and is pioneering the road for the next generation of professional swimmers.
- **James "Jimmy" Feigen** is an American competition swimmer who specializes in freestyle events. He won a gold medal for the 4x100-meter freestyle relay for the 2016 Summer Olympics. Previously, he won a silver medal as a member of the second-place U.S. team in the 4x100-meter freestyle relay at the 2012 Summer Olympics.
- Other guest Olympians will be announced prior to the event and join Josh Davis who has participated for the past ten years.
- The second day of the event is when the swimmers of the area compete against each other. The awards are handed out by Josh Davis and swimmers can get pictures with an Olympian as well as autographs.

Sponsorships will allow us to keep Josh and the guest Olympian around to hand out medals and provide reduced cost for families as well as to provide some scholarships to swimmers who may not be able to participate otherwise. It is such a joy to see these kids say they swam against an Olympian...it can change their lives forever by providing them focus and healthy goals.

I do hope you can help support this worthwhile cause!
