Getting To Lake Hills Pool

1. Bee Caves to Cuernavaca Rd.

- ◇ Landmark is Austin Ridge Bible Church. Intersection & Stop Light
- **WARNING**—Just like Siri can't pronounce Cuernavaca, she won't warn you about next two spots that will sneak up on you if you aren't paying attention. Drive slow—Look for Splashers signage.

2. Veer LEFT at Mecca Rd.

- ◇ You will know it is coming by all the yellow arrow signs warning you to slow down to 20 MPH at the upcoming Y intersection.
- You have done it correctly if you did not crash into yellow arrow signs & pass uphill thru an Arch that says "Austin Lake Estates."

3. Veer LEFT at another "Y" staying on Mecca Rd. at Riviera Rd following the natural bend. Stay LEFT!

- Ignore Siri if she is telling you to take a different route, she has gone rogue and is messing with our traffic safety plan which is to keep all cars going ONE WAY on Edgewater Dr.

4. RIGHT on Edgewater Dr. to pool

- ◇ At this point you probably wish you had left :15 minutes earlier. Never fear, volunteers are at their posts to help you navigate parking and not get towed. Have a Great Meet!
