

2018 State Qualifying Report, before Spirit & League

Please sign up for the individual events you are interested in, as they have not been marked on swimtopia yet, only a swimmer's interest in attending State.

Please check the status of your swimmer for State, as some record merges may have changed your requested entries. Individuals who have said they could attend, but do not have qualifying times may have been set back to undeclared. A few discrepancies have been found in the Swimtopia system, so if there seems to be an error, please let Karl Forar know immediately by text or call, 303-868-5400.

These reports can be confusing, so here are some guidelines:

- 1) The red "NOT" sign before the name means they do not yet have a "Qualifying Time" and the swimmer is "undeclared" (neither "attending" nor "not attending").
- 2) Grey color can mean a few things, such as "not attending" or "not qualified".
- 3) Light-green color indicates "attending", and times listed in light-green are "qualifying" events.
- 4) Dark-green represents an event the swimmer is requesting. There should be no dark-green as this is the first opportunity swimmers have had to select an individual event.
