

Cedar Park Typhoons vs Rattan Creek Hurricanes

June 2, 2018

Rattan Creek Pool, 7617 Elkhorn Mountain Trail, Austin, TX, 78729

Check-in Timeline/Procedures:

5:15- **Setup crew** arrives and begins setup

5:45- **Tent parents** check-in, head to your age group tent and assist in preparing the area for swimmers. (*lay out tarps, check for ants, etc.*) If you are running late skip to the front of the check in line when you arrive.

6:00- **Swimmers and parent volunteers** check-in **together**. Swimmers will not be permitted to check-in without a parent volunteer present. Check-in table volunteers must verify that all needed volunteers and swimmers are present before they will check your swimmer in for the meet. Swimmers then head immediately to their age group tent, let the tent parents know they have arrived, and prepare for warm-up/arm marking.

6:40- **Swimmer Scratch Deadline**. Any swimmer not checked-in at the table by check-in volunteers will be scratched from the meet at this time. That means they will not be swimming, no exceptions.

***Please observe the staggered arrival times.** This ensures that the tents will be staffed when swimmers arrive and that children are not underfoot when equipment is being unloaded in their tent area.
