

Cedar Park Typhoons vs Round Rock Dolphins

June 16, 2018

Micki Krebsbach Pool, 301 Deep Wood Dr, Round Rock, TX, 78681

Check-in Timeline/Procedures:

Setup crew will be setting up on FRIDAY NIGHT from 7-8pm

5:30- Tent parents check-in, head to your age group tent and assist in preparing the area for swimmers. (*lay out tarps, check for ants, etc.*) If you are running late skip to the front of the check in line when you arrive.

5:45- Swimmers and parent volunteers check-in **together**. Swimmers will not be permitted to check-in without a parent volunteer present. Check-in table volunteers must verify that all needed volunteers and swimmers are present before they will check your swimmer in for the meet. Swimmers then head immediately to their age group tent, let the tent parents know they have arrived, and prepare for warm-up/arm marking.

6:15- Swimmer Scratch Deadline. Any swimmer not checked-in at the table by check-in volunteers will be scratched from the meet at this time. That means they will not be swimming, no exceptions.

***Please observe the staggered arrival times. This ensures that the tents will be staffed when swimmers arrive and that children are not underfoot when equipment is being unloaded in their tent area.**
