 - ◆ Please let the tent parents know your child has arrived at the tent before you leave the area.
- **7:00 - SWIMMER SCRATCH DEADLINE.** Any swimmer not checked-in at the table by check in volunteers will be scratched (removed) from the meet at this time. That means they will not be swimming, no exceptions.

*Please observe the staggered arrival times. Do not arrive too early. This ensures that the tents will be staffed when swimmers arrive and that children are not underfoot when equipment is being unloaded in their tent area. Also, the 8 & under swimmers DO NOT warm-up, swimmers 9 & over DO warm-up. Coaches will instruct your swimmers when to get ready for warmup.

Tent Parents: Early relay sheets are due to the computer table by 7:00. Late relay sheets are due to the computer table by halftime. Please make sure that you are updating the relay sheets if there is a swimmer who scratched. Final heat sheets cannot be printed until relay sheets are in, please do not be late!

HEAT SHEETS:

Please print and bring heat sheets prior to the meet. We print limited copies to run the meet & do not sell them. We plan on using Swimtopia Mobile throughout the meet for near up to date meet information.

PARKING:

The paved parking lot next to the pool is designated for the visiting teams. Once the paved lot is full, visitors will be allowed to drop off swimmers and belongings next to the pool and then directed to overflow parking in the Back Parking Lot. In previous years we could park at the Lions Club, but they now have a gate preventing access to their property. If the Pool Parking areas get full, use caution when parking in the residential neighborhoods near the pool as towing is a possibility. The Brookhollow Elementary School parking lot (north on Railroad Drive) is also an option.

- Do not park at the Lion's Club!! You will be towed!
- Do not park on Railroad Avenue!! You will be towed!
- Be aware of driveways, mailboxes, & fire hydrants when parking on surface streets to the north of the pool!
