

PF Piranhas vs. BH Tidal Waves vs. CP Typhoons 06/18/2022

MILBURN POOL - 1901 SUNCHASE BLVD, CEDAR PARK

CHECK-IN TIMELINE/PROCEDURES:

- **4:00 - SETUP CREW** arrives and begins setup
- **4:45 - TENT PARENTS, CONCESSIONS, VOLUNTEER TABLE** check-in.
 - Head to your age group tent & assist preparing for swimmers (lay out tarps, check for ants, etc.)
 - If you are running late, skip to the front of the check in line when you arrive.
 - **DO NOT ARRIVE EARLY.** Set up crew needs time to set up tents.
- **5:00-6:00 - SWIMMERS & PARENT VOLUNTEERS** check-in together.
 - Swimmers will not be permitted to check-in without a parent volunteer present.
 - Check-in table volunteers must verify that all needed volunteers and swimmers are present before they will check your swimmer in for the meet.
 - Swimmers then head immediately to their age group tent to allow tent parents time to prepare your child to swim.
 - Please let the tent parents know your child has arrived at the tent before you leave the area.
- **5:45- SWIMMER SCRATCH DEADLINE**. Any swimmer not checked-in at the table by check in volunteers will be scratched (removed) from the meet at this time. That means they will not be swimming, no exceptions.

- *Please observe the staggered arrival times. Do not arrive too early. This ensures that the tents will be staffed when swimmers arrive and that children are not underfoot when equipment is being unloaded in their tent area. Also, the 8 & under swimmers DO NOT warm-up, swimmers 9 & over DO warm-up, though this may change at the discretion of the coaches. Sometimes warm-up is before check-in closes so check the timeline if your swimmer needs to warm-up. Coaches will instruct your swimmers when to get ready for warm-up.
- **TENT PARENTS - Early relay sheets are due to the computer table by 5:50. Late relay sheets are due to the computer table by halftime.**
- **-----> Please make sure that you are updating the relay sheets if there is a swimmer who scratched. Final heat sheets cannot be printed until relay sheets are in, please do not be late! *Freestyle relays are DUE NO LATER than event #40**

MILBURN POOL - 1901 SUNCHASE BLVD, CEDAR PARK

- As you already know our theme this week is 80's. We heard from our friends, the Tidal Waves last week that they have a member on their team who has recently begun the battle against breast cancer, and is currently receiving chemo. They asked that we **wear pink** in support. We immediately thought, **YES, let's incorporate Pink into our 80's theme** this weekend! As Typhoons we feel strongly that we no one fights alone! We want to take this opportunity to say to ALL cancer survivors we see you! To ALL the families who have been touched by someone who has lost the fight we mourn with you, and to ANYONE who may be dealing with it silently, we will stand with you, we care, and you are not alone! So, join us for some **PINK** for our Tidal Wave friend! We can't wait to see how you make it 80's! Thank you for your help this week as we support and celebrate those who fight a fight they never wanted to take on!
- No personal gear (tents, camp chairs, coolers, etc.) is to be set-up inside the fenced pool area. The grassy space surrounding the pool has ample room for families to set up camp. We ask that parents with strollers do not block the walking path on the pool deck as well...it gets too crowded!
- Due to City Code, we must keep careful count of the number of spectators inside the pool fence. Once we have reached capacity the life guards will not allow any more people inside. We ask that all parents watch their swimmers race & then leave the pool area to make space for the parents of swimmers in the next race.
- **Please park only in legal parking spaces.** Parking is available in the Milburn Pool lot, or North of the pool entrance on both sides of Sunchase Blvd. Watch the signage carefully to avoid no parking zones. Businesses surrounding the park have been known to tow vehicles parked in their lots, so please respect their wishes and do not park there. Fire lanes and medians do not count as legal parking spaces, FYI.
- **Ensure all swimmers stay off the playground adjacent to the pool & out of the sand volleyball court.**
- In case of inclement weather delays and cancellations will be shared through GroupMe, Facebook, and Email.
- Our concessions accepts cash and credit card (with 3% fee), and will be selling water, gatorade, soda, Iced tea, fresh fruit, Marco's pizza, Nathalie's Donuts breakfast tacos, as well as other snacks. We will also have Starbucks coffee! Our merchandise table will have goggles and other swimmer basics for sale..
- Please do not move cones in parking spaces unless you have made previous arrangements. You will be asked to move if you take these spots. Also, please do not park in between cones in far out spots. These are for Uhauls and trailers for all the teams.
- Be early to your Volunteer shift. There will be NO HALFTIME this weekend.
- We print limited heat sheets for meet officials and DO NOT provide hard copies of heat sheets for purchase. We will post event/heat information through Swimtopia, and results will be sent out via Swimtopia app. The city provides a reliable Wi-Fi connection to Milburn pool and the surrounding park area.
- Milburn is an 8 lane, 82.08 ft. pool with a conversion factor of .914, Block starts and deck starts are allowed.

MILBURN POOL - 1901 SUNCHASE BLVD, CEDAR PARK

- Due to fire code, we must limit the number of spectators inside the pool fence at any given time.
- Please remember there is **ABSOLUTELY NO PHOTOS** allowed behind the blocks or at either end of the pool during relays. You are welcome to take photos or video from the sides of the pool.
- We will post event/heat information through Swimtopia, and results will be sent out via Swimtopia app. The city provides a reliable Wi-Fi connection to Milburn pool and the surrounding park area.
- We may have combined heats this weekend. Plan to pay close attention at the event before your swimmers events/heats so that you don't miss their swims
- Due to the tight time schedule, we may need to drop the freestyle relays at the end of the meet.
- Please remind your swimmers 11& up to prepare for flyover starts-in which case they should remember to stay in the water until after the next heat has begun.
