Parent Communication

Divers - please let Rebekah know what meets you are able to attend

Swimmers - swimmers must be signed in to the meet by the posted deadline (usually the Monday before the meet). If you do not sign your swimmer up for a meet they will not be entered.

Questions about anything? swordfishswimanddive@gmail.com or talk to a board member.

Important 2021 Notes

- Masks are **strongly recommended** for non-vaccinated members and guests
- Parents are **strongly encouraged** to have their non-vaccinated athletes wear masks when not in the water
- If do not want in the water / on the board instruction, please send an email to the swordfishswimanddive@gmail.com so that the board can let coaches know
- Meets/champs are optional. If you are uncomfortable at a meet and choose to leave, please let coaches know so that they can adjust relays or other events. We do not typically encourage this, but for this year we recognize families need options.
- Our home meet setup will be reviewed to promote spacing and spectators may be restricted at meets.
