Under no circumstances shall a parent speak to or confront a meet official. Doing so will result in your removal from the meet for the entire weekend. If you have a concern, please address your Team Representative so they can attempt to address the issue.

Please be advised that we are going to need your cooperation in managing spectator seating for this event. We are going to need all spectators to help us in order to make this event enjoyable for everyone.

1. Please try to only come into the facility to watch your son/daughter's event and leave immediately after each event to give other parents space to watch.
2. Do not expect to be able to sit and watch the whole meet. Plan to bring alternative seating for yourself and your family outside. Pop up tents are acceptable.
3. Expect people to be constantly asking you if you have a swimmer in this event.
5. Remember that we are all in the same boat; no one has any special privileges this weekend.
6. You are going to have to leave, come back, leave and come back just like everyone else.

If you want to be guaranteed a seat for the whole meet this weekend, you can volunteer for a Meet of Champs job. We still need volunteers for this weekend so please contact your Team's Representative ASAP.

If you follow the requests above, this year's Meet of Champs will be a great experience for everyone.

Thank you in advance for all of your cooperation this weekend. Let's work together to make this a great experience and a memorable weekend for all of our kids!

Thanks,

Jennifer Hyland
