Scoring Table- Verifier

Montclair @ Jones Creek
June 18, 2024

A verifier will receive time cards and printed results from the Meet Manager software and verify that the name, official time, DQ status, and team on the time cards match the printed results. If there are any discrepancies, the verifiers bring it to the attention of the place recorder and data entry workers immediately. A shift would be half of the meet.

Stroke and Turn Official

Montclair @ Jones Creek
June 18, 2024

REQUIRES CERTIFICATION! Each meet requires a minimum of two officials per team for each swim session (ideally four per meet). The official will stand on one corner of the pool and watch swimmers to make sure they perform the strokes correctly. Don't be intimidated – this is not hard! The trainers will teach you what to watch for with the swimmers. If there are enough officials, a shift is half of the meet. Stroke and turn officials are needed for both home and away meets.

Timers

This can be any age (teenager and above) and does not require certification. A timer will use a stop watch and time the swimmer from the starting tone until they touch the wall. Each lane will have two timers. One of the two timers will write the times on a clip board. A timer shift is half of the meet. Timers are needed for home and away meets. There is always a timer meeting approximately 30 minutes prior to the start of every meet. This position is on the pool deck and is not suitable for someone with younger children.
