**Rivershyre @ Montclair**  
May 27, 2025

You will receive timer sheets and printed results from the Meet Manager software and verify that the name, official time, DQ status, and team on the time sheets match the printed results. If there are any discrepancies, the verifiers bring it to the attention of the computer operator immediately. A shift would be half of the meet.

## Stroke and Turn Official

**Rivershyre @ Montclair**  
May 27, 2025

REQUIRES CERTIFICATION! Each meet requires a minimum of two officials per team for each swim session (ideally four per meet). The official will stand on one corner of the pool and watch swimmers to make sure they perform the strokes correctly. Don't be intimidated – this is not hard! The trainers will teach you what to watch for with the swimmers. If there are enough officials, a shift is half of the meet. Stroke and turn officials are needed for both home and away meets.

## Timers

**Rivershyre @ Montclair**  
May 27, 2025

This can be any age (teenager and above) and does not require certification. A timer will use a stop watch and time the swimmer from the starting tone until they touch the wall. Each lane will have two timers. One of the two timers will write the times on a clip board. The head timer will hold and start two stop watches for each event, and will give one of them to any timer whose watch doesn't start correctly. They will also ensure timers are prepared for each event. The head timer shift is half of the meet. A timer shift is half of the meet. Timers are needed for home and away meets. There is always a timer meeting approximately 30 minutes prior to the start of every meet. This position is on the pool deck and is not suitable for someone with younger children.
