

Sebastopol Sea Serpents  
P.O. Box 2517  
Sebastopol, CA 95473

November 4, 2021

Dear Community Partner,

Last spring, 80 families in Sebastopol and neighboring communities participated in a free community swim lessons sponsored by the Sebastopol Sea Serpents and the City of Sebastopol. Our free community lessons program helped jump start families that were impacted financially during the pandemic and our year-round team membership has grown to over 150 swimmers. Sadly, drowning is the second leading cause of childhood accidental death. Since 1955, **Sebastopol Sea Serpents has taught swimming and drowning prevention skills to over 4,500 swimmers** in the community by offering a year-swimming program for youth ages four and up.

Relying on revenue from several sources including member registration fees, grants and team fundraisers, the Sebastopol Sea Serpents has operated a successful swim program in Sebastopol for over 60 years. Unfortunately, recent events have dramatically impacted our team and we have permanently lost our largest annual fundraiser that financed our annual pool rental.

**The Sebastopol Sea Serpents needs your support to keep this program running.** We invite you to help support a program that teaches youth survival skills and contributes to a culture of health in our community.

**With your help** we can continue to offer life-saving skills for youth in our community. For more information about the Sebastopol Sea Serpents, please visit <https://seaserpents.swimtopia.com/>

Thank you for your consideration!

Sincerely,

**Lehla Irwin**  
**Head Coach**
