TEAM SERVICE HOURS

SSS is a non-profit 501c(3) charitable organization run by parent volunteers. Upon registration, families will need to choose their service hour jobs for all required home meets. The service hour commitment for each family is 10 hours per trimester. SSS hosts several swim meets annually. Hosting meets is a part of our responsibility as a member of USA Swimming so we can support the sport and our swimmers, as well as provide a safe and fun learning environment.

Each family is required to work service hours at our SSS hosted meets. *Unfulfilled hours will be charged at the rate of \$30 per hour.* Additional hours may be carried over until the end of the swim year: August 31st.

Except swimmers in the pre-team practice group, all swimmers shall participate in each required meet. Families with eligible swimmers who fail to sign up for a required meet, shall be billed a penalty fee of \$30.00 per swimmer.
