

Sebastopol Sea Serpents
P.O. Box 2517
Sebastopol, CA 95473

April 15, 2026

Dear Community Partner,

For more than 70 years, the **Sebastopol Sea Serpents** have been making waves in Sonoma County teaching life-saving water skills, building confidence, and creating a joyful, healthy community for kids of all backgrounds. What began in 1955 as a small neighborhood swim team is now a vibrant program of **150 youth swimmers** from across West County and Santa Rosa.

At the heart of our mission is something we're incredibly proud of **our inclusive scholarship program**, which currently supports **25% of our swimmers**. For many families, this assistance is the difference between being able to join the team or missing out entirely. These kids wouldn't be Sea Serpents without community support and we're committed to keeping our program accessible to every child who wants to swim.

This year, rising pool rental costs at our beloved Ives Pool have created a challenge and an opportunity. To continue offering water-safety training, competitive swimming, and scholarships **we need the help of partners like you.**

Your support directly funds pool rental for daily practices, hosting local swim meets and scholarships for families who need assistance.

In return, we proudly promote our sponsors in three high-visibility ways:

- **Website advertising**
- **Social media features**
- **Banners displayed at the Sebastopol City Pool**

We are working toward a big goal this season, filling **every inch of our banner space** with community supporters. Your business can help us reach that milestone while making a real difference for local youth.

Supporting the Sea Serpents means investing in youth water-safety and drowning-prevention, lifelong health and fitness habits, confidence, teamwork, and community spirit.

We invite you to review our sponsorship levels and find the one that best aligns with your business. Your partnership ensures that every child — regardless of background or financial circumstance — has the chance to learn essential water-safety skills and thrive in a positive, nurturing environment.

Thank you for considering a contribution to this life-changing program. With your support, we can keep our youth safe, healthy, and swimming strong.

Thank you for your consideration!

With appreciation,

Lehla Irwin
Head Coach
