Dear Alumni & Community Partners,

For more than 65 years, current and former Sea Serpents have learned the value of dedication to a goal and benefited greatly from the life skills learned at Ives Pool. You are one of the lucky people who had this life changing experience of being a Sea Serpent. You are somebody who understands the value of this program to the City of Sebastopol and the entire Western Sonoma County.

Last year, Sebastopol Sea Serpents grew to over 150 swimmers with the team providing scholarships for over 30 families impacted financially. Sebastopol Sea Serpents needs your help. We are seeking financial assistance from you, the people who know the value of this venerable program – our former members, to help support these families in need.

Sebastopol Sea Serpents is a 501(c)3 tax exempt organization, so donations are tax deductible. The tax ID # is 55-0815492.

We are asking you to help, if you can, by making a donation to our team. With the growth of our team, our necessities have expanded and we have added different ways to be able to contribute. Below are some options for immediate impact to consider:

- Donations can be made on our [GoFundMe Alumni page](http://www.gofundme.com/f/sss-alumni): www.gofundme.com/f/sss-alumni and on our team [website](http://www.seaserpents.swimtopia.com): www.seaserpents.swimtopia.com or you can kindly mail a check to:
