If your team has not confirmed that they will be participating in this event by 6:00 PM **Friday May 31st**, we will assume you have declined, and we will proceed with finding replacements as needed.

Entries:

Team entries are due no later than **Sunday, June 21st at 8:00 PM**. Our computer rep will provide a file to each team by Sunday, June 14th with instructions for entering your primary swimmers. An alternate swimmer will be required for each event, and they should be entered into the corresponding alternate event in the file per instructions. The alternative can only be used in the event of injury or illness to a competing swimmer.

Substitution Policy:

Substitutions are only permitted if these 2 conditions exist, 1) an injury or illness prevents a swimmer from competing and 2) the alternate has already been used. If these conditions exist, a team may replace a swimmer with someone who has a slower time than the person originally entered.

Substitutions must be turned in to the Meet Referee by 8:00 AM on the morning of the meet. A substitution form will be handed out to the coaches when they arrive at the pool for warmups

Entry Limits:

There will be only one heat per event. Each team is permitted to bring one individual swimmer per event. These swimmers will also be used to form a medley relay team in each age group. There must be 4 individual swimmers in each relay with the exception of the crescendo relay. Each individual swimmer is allowed to swim in only 1 individual event but may swim in both relays.

The medley relay will be made up of the swimmers entered into each of the individual events. Each prescribed stroke of the relay will be completed by the same swimmer who was entered in that individual event (i.e., the swimmer entered in the individual freestyle must swim the freestyle leg of the relay).

The crescendo event will be made up from any of the swimmers entered into the meet regardless of the individual event they were entered in and shall consist of 1 swimmer from each age group (8 & under, 9-10, 11-12, 13-14, and 15-18). As part of the crescendo relay the 8 & under & 9-10 will swim 25 meters with the remaining age group swimmers completing 50 meters, for a total distance of 200 meters.

There is no fee required to enter this meet, however, the Bridlewaves request that everyone bring some canned or dried goods items that can be donated to the Food Bank at SERVE in Manassas. Here are the current items on their want list:

Canned vegetables, pasta and spaghetti, pasta sauce, canned meats, canned tomatoes and tomato sauce, cereal, canned fruit, cleaning supplies, toilet paper and paper towels

Saturday July 4, 2026 – 8:30 AM

Sponsored by:
Nations Capital Swim Club & Occoquan Swimming Club

NOTES: Teams should bring their own 10x10 tent to place next to the pool. “Bench seating” can be provided for each team along the deck or they may bring their own chairs. Teams are encouraged to bring no more than two 10x10 tents for their team area (grassy area behind poolside tent) as indicated on the pool layout above. Spectators will **only** be allowed in the areas indicated in white and this event is “standing room only” – NO CHAIRS OR TENTS WILL BE PERMITTED ON DECK. (If your team has a need for a handicap viewing area, please let us know ahead of time).

Team Areas:

UPDATE: We have been informed by our HOA that we are not allowed to set up tents on the basketball or tennis courts as we have in past years. This is to prevent undue wear and tear as the courts have recently been resurfaced. As such, we will have a combined tent area in the grassy areas surrounding the pool.

Parents – we will have speakers facing out towards the tent areas and make frequent announcements for events and awards presentations. However, based on experience – because the event moves along quickly – you may consider leaving your tents at home or tent-sharing with friends to be closer to the action!

NOTES: Swimmers are encouraged to check in at the beginning of the meet and remain in the team areas on deck to avoid missing events and maximize team cheering opportunities.
