

## Creating the Meet Entries Matrix Report

(submit to your RSL Rep for upload to the League)

Once you have seeded the meet and before you lock your entries, run a Meet Entry Matrix report, which shows a summary of all entries and times per age group. Go to **Manage team > Reports > Meet Entry Matrix**, then select the meet and choose your desired report options, check "Only include attending athletes." When you hit Generate Report and select to "Print," the report will format for the page and print in black and white. Please "print" this form by saving it as a PDF document.

# Creating the Meet Entries Matrix Report

(submit to your RSL Rep for upload to the League)

This report is your "Electronic Entry Planner" (RSL Rules) and must be emailed to your team's RSL representative to submit with the official meet entries (locking and merging the meet). In case of any entry errors, this hardcopy will serve as a backup of your officially submitted entries. It is strongly recommended that you run this report, review it carefully, and make any necessary changes before submitting your final copy. It is useful to show any age groups or swimmers that you may have missed seeding.

## \*\*\*IMPORTANT UPDATE FOR RSL CHAMPS MEET\*\*\*

There are so many events in finals that it's cutting off most of the events. Please change their print settings so all events will appear in the EEP. Be sure the layout is "Landscape", paper size is "Legal" and scale is "75".
