

# 2026 SPONSORSHIP OPPORTUNITIES

## A Community Tradition, 70 Years Strong

Glen Oaks is celebrating 70 incredible years while also investing in our future through this year's **Capital Campaign**, which will fund **critical upgrades** like our electrical system replacement and future pool replastering.

## Why Sponsor This Year?

**There has never been a better time:**

- The club has been actively promoting membership & the campaign through outreach, events, and visibility efforts
- We've seen an increase in swim team registration, bringing more families (and eyes) to the club
- Sponsors gain exposure not only to our families, but also to visiting teams and guests throughout the season
