

The WaveRiders Swim Team
Midlothian, Virginia
2026 Swim Season Sponsorships

Dear Future Sponsor:

The WaveRiders Swim Team is excited to kick off our 19th swim season, and we could use your help! **We are a recreational summer swim league in the Rountrey neighborhood and are comprised of swimmers from Rountrey, Watermill, Edgewater, Sanctuary at Watermill, as well as other surrounding subdivisions.** Our swim team welcomes all children 18 years old and younger within these communities. Last summer, we had almost 200 registered swimmers, and with continued growth in the area, we believe we will continue to grow. The WaveRiders Swim Team has been a part of the Chesterfield Aquatic League since our inaugural season in 2008.

With the significant growth of our team, the WaveRiders have come to rely on sponsorships to help cover the expenses of running the team. Sponsorship funding allows our team to cover the cost of equipment repairs, replacements, and maintenance, as well as team events and coaches' salaries, all while keeping our registration cost affordable for families. **The WaveRiders Swim Team is a 501(c)(3) Organization**, so your donation not only helps our swimmers, but it is also tax deductible.

As a sponsor, you are helping to introduce the sport of swimming to kids and **supporting our efforts to instill confidence and teamwork skills in today's youth.** Summer swim teams are a family affair, and those early morning practices and muggy late-night meets foster new and old friendships that last a lifetime. When WaveRiders swimmers look back on their childhood, our goal is that they remember all the fun and friendships they created at the pool!

As a thank you for your support, there are several benefits the team extends to you.

Sponsorship levels and level-specific benefits are listed on the following page. We welcome all of our sponsors to attend our swim meets to cheer us on and see how their sponsorship monies directly impact our team! Our 2026 schedule will be posted on our website once finalized: [WaveRiders](#).

We welcome any additional ideas for sponsorship benefits should one of the options outlined not suit your needs. If you have something else in mind perceived to be of more value to your business, please let us know! **Thank you so much for your time and consideration in support of our team, families, and communities.** If you have any questions, please email: waveriderssponsorships@gmail.com.

We look forward to partnering with you.

Sincerely,

WaveRiders Sponsorship & Fundraising Chair
