

Greetings,

At Quest Swimming **“we are dedicated to TEACHING the Art of Swimming and PERFECTING the Game of Racing.”** We are enormously proud of our program and the impact that we have made locally, regionally, and nationally since 2003. Whether it be as a part of our nationally recognized year-round competitive swim, our award-winning Quest Swim School for high-quality swim lessons, or our new Quest Prep non-competitive program, we would love to have you come and be part of the Quest Swimming family!

Quest is focused on Excellence in Swimming and Excellence in Life.

If you are interested in joining our competitive year-round swim team, we would love to meet you and tell you more about our program and determine which of our training groups would be best for your athlete. Please register your athlete for a FREE in-water evaluation at this link. We will have a ton of information available to you (practice schedule, meet schedule, fee structure, etc.) at our upcoming evaluation dates – join us!

[QUEST SWIMMING EVALUATION](#)

If you have any questions about the evaluation process or how to join the Quest Swim Team, please contact Coach Amy at: CoachAmy@QuestSwimming.com.

For those interested in staying in the water throughout the school year, but aren't quite looking for a competitive program, come and find out more about our Quest Prep program. This non-competitive program practices 3 times a week year-round. It's great for preparing for high school swimming in the fall, summer league swimming in the spring, or continuing to improve your swimming skills year-round. Contact Coach Chad at CoachChad@QuestSwimming.com for more information on our Quest Prep program.

In addition to our competitive and non-competitive swimming offerings, Quest is also home to an award-winning Swim School that offers swim lessons to all ages and ability levels. From 6 weeks old to 99 years old, we provide swim lessons to anyone and everyone. Please keep us in mind for all your swim lesson needs. Contact us at CoachChad@QuestSwimming.com or check out www.questswimschool.com for more information.

We are also always looking to add quality people to the Quest Swim School staff - contact us if you have anyone on your team interested in being a swim instructor or lifeguard throughout the school year with us!

Please let us know how we can best support you and your team this summer! We look forward to making as large an impact in the community as possible!

Swim fast and have fun as the season comes to an end!

Best wishes,

Your friends at Quest Swimming and the Quest Swim School
