Practice Schedule:

Our 2026 practice schedule is under the 2026 Swim Season tab

Important Dates and Contacts: – swim meets, clinics, board members, etc.

There is a calendar on the homepage and the 2026 Dates and Communication Card under the 2026 Swim Season tab. Print this out and hang it on your fridge.

Coach in Training (CIT) Program:

The Coach in Training (CIT) program is an opportunity for our older swimmers to help with the team while earning volunteer hours for school or other youth programs. CIT's will work primarily with our younger swimmers who need more hands-on instruction and safety reinforcement. The Head Coach may designate older CIT's to work with any age group.

The CIT program is intended for swimmers who are:

- Active members of the swim team for two years
- 13 and older by June 1st
- Responsible and attentive role models
- Comfortable providing in water instruction as the direction of the head coach which includes vocal and swimming demonstrations
- Have availability for 2 or more practice shifts a week
- Responsible for communicating schedule changes to the coach designated by the Head Coach as the lead communicator

Those interested in being a CIT should attend the CIT Interest meeting at Open House at 7:45pm with the coaching staff. Sign ups will be available that night.

We hope you will want to be a part of the Piranha swim team. Our volunteer board is looking forward to meeting you at Open House. If I can personally answer any questions, you may reach me at the email below.
