

Hello RMSL! Welcome to 8 and under prelims – lead by CCV and hosted by Heritage Greens. CCV is grateful for the support our league provided this year to keep us swimming.

**Pool Address:** Our pool is located at 4814 E Links Circle, Centennial CO 80122

Parent Rep Phone number: Jill Marks (312) 339-3361

**PARKING/TENTS/CONCESSION INFORMATION:**

- Your team tent and family tents can be set up according to the map attached. There will be a stake in the grass outside the pool designating your spot. Please stay in that location. Attached to your stake will be a trash bag. Please clean up your team's trash at the end of the meet.
- We will have 1 reserved parking space in the parking lot your team to use as you would like. Lot will be blocked off so please just park, each team doesn't have a designated spot. 1 spot per team – please be courteous and do not take more than one.
- There is ample street parking around the pool, we ask that families be courteous and avoid blocking driveways.
- Concessions will be available (Cash and Venmo) but please note that meet is likely to run until 6pm and it is possible concessions will not run quite that long, so packing some snacks/food of your own is a good idea.
- Heating is around the back of the pool. Please do not come through the pool area to Heating. See attached map with heating locations A and B. • Heat sheets will be emailed to you from the League. Please print what you need for your own team.

## WARM UP SCHEDULE:

TIME	LANE 1	LANE 2	LANE 3	LANE 4	LANE 5	LANE 6
