

Hello Junior Piranha Parents,

My name is Teddy O’Keefe, and I’m thrilled to be returning to coach the JP program this year. I’m so happy to see such a large group with a great mix of new swimmers and returning families. Before the season kicks off, I wanted to reach out and pass along a few key details and dates regarding our schedule this summer.

Junior Piranha sessions are 30 minute blocks with up to 3 swimmers sometime between 9:00am-11:00am. Though we don’t have practice on Fridays, Junior Piranhas are welcome to stop by on Fridays for a doughnut. My aim is to best accommodate your family’s scheduling needs, while also placing your child in a group where they will feel most comfortable. To accomplish this, the first week of JPs (June 2-5) will have a different schedule than the remainder of the season. During the first week, you can choose from any of the available sessions for your child. On June 6, taking into consideration your family’s needs and swimmer’s comfort level, I’ll create and send out a schedule for the remainder of the summer.

To simplify scheduling, it would be a huge help if you could complete the following prior to 6/1.

1. Please choose a time slot for the first week of sessions (June 2-5) using [this link](#).
2. Then, submit your availability and preferences through [this form](#).

Here are key dates for the summer:

5/19	Season Kick-Off Stop by the pool any time from 4:30pm-5:00pm for some Kona Ice!
6/1	Please complete scheduling forms.
6/2	Junior Piranhas Program Begins
6/2 - 6/5	Sessions are scheduled based on chosen SignUpGenius slot.
6/6	Session Schedule Released
6/9	New Schedule Begins
6/21	TBD - Possible Opportunity to Swim at Home Meet - This is a great opportunity for your swimmer, if comfortable, to swim with a coach in a “Minnow Race”
6/26	Last day of Junior Piranha Practices
6/28	TBD - Possible Opportunity to Swim at Home Meet - This is a great opportunity for your swimmer, if comfortable, to swim with a coach in a “Minnow Race”

If you'd like, you can add the Junior Piranha calendar feed to your family calendar with the link below, where I'll add more events throughout the season.
