

# TIME TRIALS

- If you are volunteering, please arrive on time and check in with the Team Reps. If you have questions about your volunteer role, please ask the reps **BEFORE** Saturday morning.
- Time Trials start an hour earlier than our typical Saturday morning meet since it is such a long meet. See times below!
- There will be an Officials meeting that all timers (first and second half), S&T and Starters need to attend at 7:30.
- The lower lot at the daycare facility is available for our use on Saturdays.
- If you park in the neighborhood, please be considerate and be aware of all the parking signs. Your car will be towed or ticketed if it is; blocking driveways, if you are parked on the grass, parked on the wrong side of the street or are parked in ways that make it difficult for cars to pass down the street. We warned you!
